

ANGAMA

SAFARI CAMP

Fact Sheet

"Our purpose is to provide an impeccable safari experience that distils the sophistication of simplicity right down to its very essence. Stare at the fire, listen to the birds, read, take a nap, relax in the red rocker, watch the sun set, cook over the coals; breathe the fresh air, try and count the stars, and share many stories. Our wish is for our guests to experience an overwhelming sense of 'this is all mine'."
