Honeymoons

THE TEAM AT ANGAMA MARA PRIDES ITSELF ON CREATING PERFECTLY ROMANTIC MOMENTS FOR OUR HONEYMOON GUESTS

From tailor-made days to intimate picnics for two on the Out of Africa kopje, honeymooners from around the world come to Angama Mara to soak up that view, go on safari, and leave the stresses and memories of wedding-planning far behind.

From the moment they arrive at the lodge, the team delights in spoiling our honeymoon guests. After meeting their personal butler, they are shown to their tented-suites. Hanging outside the front door is a beaded Maasai heart, a gift from the lodge to take home and remind them in years to come of their honeymoon here high up on the edge of the Great Rift Valley.

ANGAMA MARA'S GUESTS CAN EXPERIENCE THE FOLLOWING WHILST HONEYMOONING WITH US:

- Enjoy the privacy and comfort of their tented-suite
- Dine by candle-light in their tent
- Sleep in, watch the sun rise and the balloons float by and then decide how to spend the rest of the morning at their leisure
- Explore the Rift Valley on a private walking safari
- Relax with a great book by the heated swimming pool
- Snuggle up in the Library after dinner and watch Out of Africa
- Pamper themselves with a couples massage with that view as the backdrop*

But best of all by far, there is one experience at Angama Mara which is the most treasured moment by all of our honeymoon guests, and that is our exclusive Out of Africa picnic. This kopje, or little hill, is featured in Out of Africa and is the backdrop for the film's iconic poster. After ascending the kopje with their guide (a 7 minute easy climb) our honeymooners are welcomed by their butler who has laid out a picnic for two in the shade of a towering tree. A short distance from there, perched right on the edge of the hill overlooking an 180° view of the Mara, is a blanket and a bottle of sparkling wine. Once our guests have settled in, their butler excuses himself so that they can have this romantic place all to themselves for a couple of hours...

Through creating private, intimate and romantic moments during their time with us, Angama Mara's honeymoon guests can do as much or as little as they please. Surely this has to be one of the most romantic places on earth?
